

## FAMILY LINK WORKER

I am delighted to introduce you to our new Family Link Worker, Kirsty.

Kirsty has worked as a Nursery Nurse in Redhall for many years. She is very familiar with the school, the pupils and the community. I feel confident that she will be a great connection between Redhall families and the school.

Kirsty's role is the **general support** of Redhall families. She can help with a variety of things such as:

- signpost and refer you to relevant services
- help fill in various forms
- liaise between various organisations
- support you in accessing benefits and funding
- support with organising social events
- provide a listening ear
- gather feedback and suggestions from families and pass them on to the management
- attend various meetings with you

You will see Kirsty at your child's planning meetings, Parent Group meetings and any other major school events.

**Kirsty is at the school Monday to Thursday during school hours**

**You can reach her by emailing:** [Kirsty.Bruce@redhall.edin.sch.uk](mailto:Kirsty.Bruce@redhall.edin.sch.uk)

**or by phoning Redhall School at 0131 443 1256**
